

keep it simple.

MORE IS LESS.LESS IS MORE.

p h i l o s o p h y

it is all about keeping things simple, clean and to the point.

A handwritten signature in black ink, consisting of a stylized, cursive letter 'J' followed by a horizontal line and a small dot.

Jangid Suren Design is located in beautiful historic city Jaipur, India. We are a forward thinking design company that has been in business for the last 6 years. We work with a wide range of clients from very small startups to established corporations.

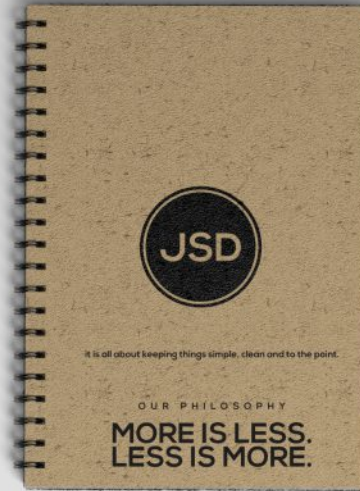

We focus on individualized service towards our clients, and only sign onto projects that we can put our passion and focus for perfection into action. Without passion, there cannot be success, and we fully understand that when our clients are successful, we are successful.

We are a small and personable, highly focused design company that has over 20 years of combined experience in design and development. We will work closely with you on design crafted by some of the most experienced graphic designers. We have many years of graphic design experience in creating brand identity. Our team of talented professionals knows what it takes to bring you the best solutions for your business. We pride ourselves in only providing the best experience, the best designs, and the best results.

We work closely with our clients on each project to create not only an amazing design that will help the business grow, but to create a long term relationship of trust and caring. We are a highly focused and driven agency that focuses on design projects that we are passionate about working on.

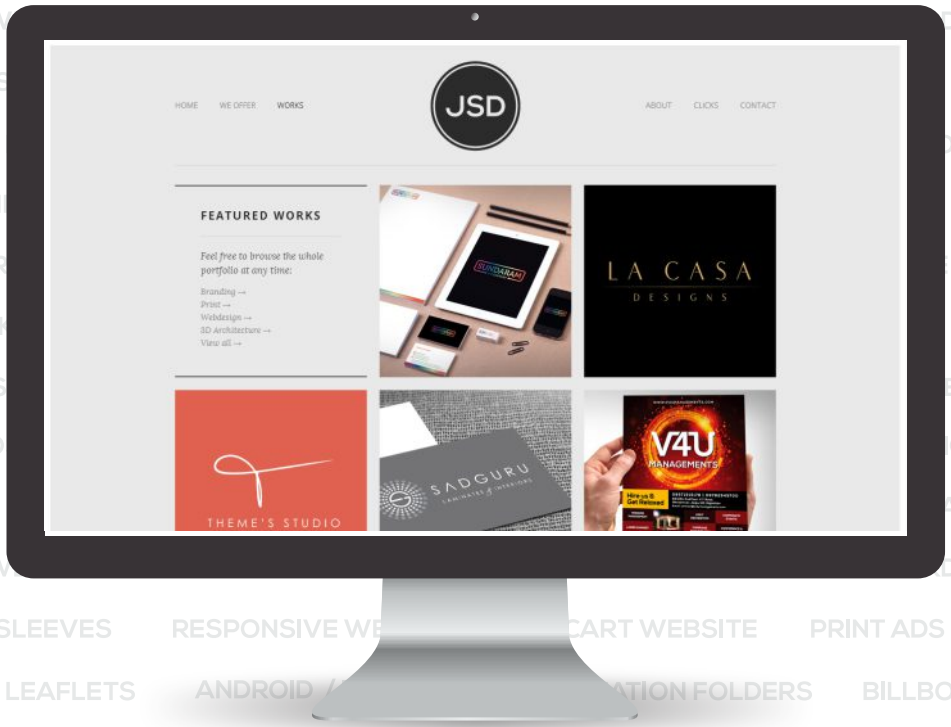

JSD offers creative services to businesses large and small, we combine our knowledge and expertise with the ability to react with flexibility and efficiency while providing excellent customer service and value. JSD is passionate about creative that breaks through clutter and into hearts and minds, work hard for our clients. We're here to exceed our client's objectives and business goals. We develop identity concepts that achieve all of your marketing goals by designing all of the branding materials to integrate with your new logo.

JSD is made up of industry professionals enabling us to offer all the right ingredients for any project - from beautifully designed, functional websites to memorable logos, as well as creatively crafted print designs & illustration, 3D architectural interiors & exteriors, social media & online promotion.
